Safe Space

The clear space is the minimum area surrounding the logo that ensures visibility and prevents interference from other elements.

This space must always be respected and should not be violated in any application.

Correct uses

These are the correct uses of the logo, so please adhere to them and choose what is appropriate in terms of color, size or configuration

Misuses

Do Not Use the Logo in These Shapes or Colors
Using the logo in any unapproved shape or color is strictly prohibited under any circumstances.
The logo must always follow the approved form and color specifications.
